SUBJECT: Erasmus+
(please specify)

TEXT:

The new Erasmus+ programme has been published in the English language only, while the translated versions of this programme into all the other languages of the European Union will not be published before April 2014. However, the first deadline for submission of Erasmus+ projects is March 2014.

Can the European Commission provide information on whether the failure to publish the Erasmus+ programme in all the 24 languages of the European Union amounts to discrimination?

Can the European Commission advise whether this amounts to a violation of the Treaties or of any EU law?
